PROJECTS

Paint Program

- Worked in a group of 4 to create a paint program using Java.
- Utilised design patterns to make code more efficient and clean.
- Project was managed using Agile Scrum and Git.

Discord Chat Bot

- Bot created in Java using the JDA Discord API wrapper.
- Allows users to interact with the bot using set commands.
- Bot also responded to specific messages sent by users.

Twitch Chat Bot

- Bot created in JavaScript and Node.js.
- Monitors a channel's chat through an IRC interface.
- Interacts with the chat depending on messages sent by users.

LEADERSHIP EXPERIENCE

CLUB EXECUTIVE

2015 – 2016

STL Computer Science Club

- Restructured the clubs with 5 other executives. Updated the clubs goals and purpose.
- Taught an introductory Java course and assisted students in lower grades with projects.
- Responsible for organizing meetings and events, and reporting the club's progress to our teacher advisor.

JUNIOR ADVISOR

2017 – 2018

STL Robotics Club

- Mentored grade 9/10 students at my former high school, with little programming knowledge, to assist them in building a robot. Group mainly worked independently with me watching over them.
- Taught students good project development practices, and good collaboration skills.

STUDENT GOVERNMENT

2014 – 2016

St. Theresa of Lisieux CHS

- Part of smaller council of 15 members that was responsible for school events related to fundraising.
- Helped organize an event where over 24 000 food and clothing items were raised in a one-week span.

VOLUNTEER

Annually 2015 – Present

Get On My Level - Canadian Super Smash Bros. Event

- Volunteer at Get On My Level, one of the largest annual gaming tournaments in Canada.
- Responsible for helping register and check-in over 1000 people during the weekend.
- Help set up and take down over 100 gaming stations in a less than a day.

WORK EXPERIENCE

WINNERS AND HOMESENSE

Jun 2018 – Aug 2018

Sales Associate

- Demonstrated a high degree of customer service while processing all refunds, exchanges, and purchases.
- Processed and prepared merchandise for the sales floor.
- Initiated and participated in store recovery as needed.

EB BOX COMPANY

Jun 2016 – Oct 2016

General Worker

- Assisted with the operation of the die cutting machine.
- Kept inventory of completed and shipped boxes.
